Privacy & Surveillance

- "If you're not paying for it, you're the product".
- Your Al interactions are being used just like your web searches.
- How many times have you read the terms & conditions?
- Facial recognition is widely used in the UK without your consent.
- Legislators and companies are working on regulation but progress is much slower than technological advances.
- New privacy threats are emerging every day.
- IMO, companies cannot be trusted to self-govern.
